

Lawn Care Programs

Our Lawn Care Programs were created to give the customer a DIY option of fertilizing the yard without the hassle of remembering when to do what.

Each program below can be used on any type yard. You purchase the program at the beginning of the year and you get a 15% discount (**Red Price**) or you can follow along with the program and buy as you go (**Black Price**). When you purchase a program we can keep the product here at the store for you! Then, when it is time to apply an application you will get an e-mail and/or text reminding you to come pick up it up! How easy is that?!?!?

One thing to keep in mind... Each program covers about 4,000 sq ft. Typically a house in Amarillo has about that size yard front and back, but we can do multiple programs to fit your needs.

If you have any questions about which program is right for you come talk to us today and we will get it figured out!

Panhandle Greenhouses Lawn Care Programs

Select the program that best fits your needs. If needed, we will store it for you. We will make multiple attempts contacting you via e-mail and text, but it is up to you to follow along with the program. If product isn't picked up from one year to the next, we cannot deduct the price of the product to make up for it. We will give you the product from the year before.

If you have any questions please contact us at 806-622-2683 or e-mail aaryn@pghama.com
 Panhandle Greenhouses is located at 11900 S. Washington, Amarillo, Texas 2 1/3 miles south of Hollywood Rd.
